

DINE-IN NOW OPEN!

We want to express our sincere concern for everyone who has been impacted by the coronavirus (COVID-19).

For more than 28 years Red's has been dedicated to genuine hospitality and taking great care of our staff, so that they can take great care of you.

The health and wellbeing of all that enter our restaurant is our top priority. We have taken the necessary steps to ensure that our restaurant continues to be safe for our customers and staff.

Preparations have been under way to re-open our dining room with the utmost care. **We will be reopening our Dining room on October 14th, 2020, with limited seating capacity.** We are looking forward to welcoming you back as our Red's Barbecue Family!

In addition to all safety procedures currently in place for our curbside pick-up and contactless delivery service, we are implementing the following for the re-opening of our dining room:

- Continuing wellness checks of all staff members before each shift, including temperature checks with a thermometer
- **Limited hours for dining room and patio**
 - **Monday-Tuesday: CLOSED**
 - **Wednesday-Friday: 4pm-8pm**
 - **Saturday-Sunday: 12pm-8pm**

Curbside Pick-Up and Contactless Delivery Hours will remain Mon-Sun:11am-8pm!

Due to limited seating we ask that you keep your dining experience to a minimum. On average, your stay with us will last 1 hour. We thank you for being flexible during this time!

- Reconfiguring seating in the dining room and patio to meet social distancing guidelines
- Using floor decals to remind guests in our lobby and throughout the restaurant to keep to social distancing protocols
- Having dedicated staff through every meal period solely responsible to sanitize all high contact areas
- Providing all staff and managers in our dining rooms and kitchens with personal protective equipment, including masks and gloves
- Reinforcing staff handwashing routinely
- Having hand sanitizer available in our lobbies and restrooms for guests
- Providing a QR code for guests to scan to access a digital menu on their mobile device
- Extra condiments & supplies provided upon request
- Sanitizing pens & billfolds after guest

These are just some of the precautions we are taking to protect you, while at the same time providing the hospitality and delicious food you've come to expect from us.

Welcome back!

We look forward to fulfilling your Dine-In, Delivery, or Curbside Pick-Up experience!
